Base Secretary Art Nolan indicated there was a quorum present. There was one amendment to the March 1, 2017 minutes to reflect that the drawing for the Navy pillows would be held at this April meeting and not the May meeting.

Randy Stein gave the Base Treasurer's Report. The Treasurer's Report was voted on and accepted without correction. He also reported the check that was sent to BOCES for materials to pay for the base float has finally cleared.

**Base Commander's Report**

The Base Commander has viewed photos of the base float. At present, it is still a skeleton. The float's condition required an entire rebuild. It is hoped the project will be completed before our first parade.

National Awards nominations are due by April 30<sup>th</sup> and the Newsletter nominations are due May 15, 2017.

The Base Commander yielded the floor to Base COB Al Singleman to give a report of on the SUBVETS mid-term meeting he attended in Dallas, Texas. He reported on the moratorium on Associate Members until the numbers meet the IRS requirements for charitable organizations. The annual convention will be held in Orlando, Florida. The Charitable Foundation has so far distributed \$9,000.00 in brotherhood money for shipmates in need. Several gifts were made to those who suffered major losses due to flooding in the Baton Rouge, Louisiana area. Contributions to the Charitable Fund would be appreciated.

A prototype has been developed to combine the USVII Constitution and By-laws into one document. It is being sent to the Board for evaluation. USSVI is in good shape and financially stable. The website project is on schedule and will be an excellent tool for many levels of the organization when placed online.

Next month's meeting will be abbreviated due to Ray Misiewicz's presentation.

**Reminder that June's meeting will be held on the second Wednesday in June** instead of our regular first Wednesday meeting date. **The meeting will be held on Wednesday, June 14, 2017** at the regular start time of 1900.

## **OLD BUSINESS**

Base Chaplain Janet Irwin has been following up with Shenendahowa's youth group that has shipped several "care packages" overseas in support of our troops. This program was started by school teacher Erica Lynn Ladu, whose recent untimely death affected both the children and the program. In tribute to Mrs. Ladu, the students and counselors wish to finish her work by sending the remaining donated items to the troops. However, they are lacking the cost of postage. Base Chaplain Irwin is conducting a raffle for two US Navy pillows with all funds going to Mrs. Ladu's project. See the Base Chaplain for tickets. Cost is \$1.00. The drawing will be held tonight.

## **NEW BUSINESS**

A lengthy discussion was held on how to increase membership and overall Base participation. The Base Commander emphasized that all ideas are welcome and encouraged members to bring forth and act upon ideas for the overall benefit of the Base and community activities.

Wilson, the C/O of USS ALBANY, SSN 753, the COB, and possibly a few crewmembers will be in attendance.

The Base Commander reported it has been 17 years since there has been an increase in Base dues. Later in the year, he will propose a dues increase of \$5.00 to help offset Base expenses. The Base Treasurer reported our Base has been running at a slight deficit for the past two years. Members present every month have been sustaining the Base through the 50/50 raffle or other donations. A dues increase would help spread the costs through the entire Base membership instead of only those attending regular meetings.
